REPORTS FROM SCHOOL ORGANIZATIONS

CALHOUN SOCIETIES

The Girls' Calhoun Literary Society, at the beginning of the Fall term reorganized and elected new officers. This "wide awake" society has had a series of very interesting programs, using the unusual talent of its members. Meetings are held regularly each Monday night. The present officers of the society are as follows:

President	Aline Bohler
Vice-President	Norma Williams
Secretary	Margaret Staples
Treasurer	Ruth Burnham

The Calhoun Literary Society for men was organized early in the college year. The Calhouns started out with a new spirit this year. The meetings have been well attended and the members are taking interest in the work of the society.

The society has been very active in getting new members. The new members are interested and are very capably filling the shoes of the old members who graduated last year. Their aim is to keep the good work up.

MORGAN SOCIETIES

During the first six weeks of the term the Morgan Girls had several very interesting programs. One evening was devoted to the study of the life of Poe and his works. Another evening the Morgan

Boys and Girls had a joint meeting, which everyone enjoyed very much. Several of the boys made inspirational talks and we are anxious to accomplish much during the coming year. Many new Morgans have joined our society this year and we hope to have many more.

As a sense of duty to its members and school the Morgan Literary Society for Men immediately reorganized itself after the opening of the Fall term.

Its motto being "To Train Each Member", prompted its old membership to meet and begin work by electing the following to office for first term, viz: J. Oliver McCracken, President; L. G. McPherson, Vice-President; M. H. Sherer, Secretary-Treasurer; H. C. Pannell, Critic; W. B. Smith and L. Tennent Lee with Vice-President, program committee.

The society is meeting regularly each Friday night at 7:00 o'clock in room 9 of the main building. The Society already has several worthy candidates for places on the annual debate.

Y. W. C. A.

The Y. W. C. A. was organized the second Wednesday evening after the term began. The officers were elected and the cabinet appointed. The next week two delegates were sent to the State Conference at Camp Winnetaska. These delegates were sent by the Y. W. C. A. with the help of the whole student body and the faculty.

Among the steps taken by the Y. W. C. A. the morning watch service is perhaps the most helpful since it really starts the day for those taking part.

The Y. W. C. A. and Home Economics Club are working together to secure funds and various ways and means are being used. The Association is a live, wide-awake one and the girls are striving all the time to make it better.

Y. M. C. A.

The Y. M. C. A. has organized with the following officers and cabinet members:

President.....	Rutledge Daugette
Vice-President.....	William Beck
Secretary.....	V. C. McCluskey
Treasurer.....	W. B. Carnes
Reporter.....	Van Dawson Durrett
Chairman Social Committee.....	Fred Burnham
Chairman Program Committee.....	Hansel Beasley
Chairman Membership Committee.....	William Beck

Two visits have been made by Mr. Lewis, Student Secretary, and President C. W. Daugette has appointed Mr. H. C. Pannell as faculty advisor. The boys have gone to work with real earnestness and enthusiasm. They meet every Wednesday evening and have had a good attendance up to this time.

NEWS OF THE MUSIC DEPARTMENT

The band and orchestra are beginning to work well for the session. The Junior High School band and orchestra are also giving performances at Assembly and elsewhere. Miss Curtiss is expecting great things for these organizations for 1925-26.

PROSPECTS FOR BASKET BALL.

The school has Miss Elsie Jobe as physical director for women. This young lady played center on the Peabody team, champion team of the South, and was a champion player herself. She has a hard schedule ahead with practically all the colleges in the State, but we are hoping to regain the State Championship this year.

EXTENSION SERVICE.

The extension department, under the direction of Mr. A. C. Shelton, has established one or more centers in nearly every county of this district. The school for the fall and winter, will teach on Mondays so that practically all of the teachers can go out for extension work on Saturdays, only a sufficient number being retained to take care of those who come in for Saturday work.

SENIOR HIGH SCHOOL

In providing for the best interests of pupils who enter the elementary school and continue through the Junior High School, it has been deemed advisable to continue their training through the Senior High School. Accordingly, a standard high school has been created for the purpose of meeting this demand and which also absorbs the pre-normal students, or those, who for various reasons, do not have sufficient advancement to enter college courses offered by the Normal School and who would like to obtain a teacher's certificate or keep the one they have alive.

The Senior High School has been assigned rooms in the main building used exclusively for high school purposes and is instructed by a separate faculty, all of whom hold degrees from standard colleges.

At present, the enrollment of the Senior High School is of desirable size, making possible the best quality of work, the classes being restricted to a maximum of 30 pupils. Regular high school diplomas carrying the same privileges relative to college entrance and credit afforded by the best high schools of the state to their graduates are given. Separate high school activities, such as athletics, assemblies, clubs, etc., and other features giving the high school an identity of its own, are maintained. The full high school program is made to articulate with the Normal School.

The superior facilities afforded by the Normal School, such as library, laboratories, shops and the like, are available for all high school pupils. Advantages such as those given above together with a splendid enthusiasm will no doubt unite to make the Normal High School one of the outstanding institutions of secondary education in the state.

CHANGE IN FACULTY

The new members of the faculty are as follows:

Miss Ada Weir, Mr. Joe Rob Thompson, Mr. H. C. Pannell, Miss Minnie Clare Boyd, Mr. Martin Luther Samuels, Miss Henrietta Isabel Miller, Miss Winnie Davis Tonnemacher, Miss Sue M. Sprott, Miss Elsie Jobe.

TROUBLE.

Sometime in the past a number of open-minded, polite, keen-minded, industrious boys, who had the sane intention of becoming real, honest, fourteen karat men, came to Kearney to be instructed in the various paths of knowledge which the institution offered. However, in greater numbers, came women to this school, also bent on these same high and lofty ideals.

In the course of time spectators were amazed at the vast change which swept the ranks of the stronger sex. Casualties were many and the college took on an aspect of woe.

The trouble? A detailed study of the matter will bring to light the cause of all of it. It seems that about three-fourths of the girls wanted to attract the opposite sex and in doing so lowered their own standards.

Soon any young gentleman in the college realized that by talking with a girl for fifteen minutes he would be successful if he asked for a date.

To what did all of this lead? Conceit—just ordinary, unadulterated conceit—justly acquired by the men of our college. Only the other day this remark was heard said by a boy: "I can get a date in five minutes."

It is extremely desirable for the boys and girls of our college to become friends. But, girls, why lower yourselves by intriguing the boys' attentions, and in so doing making conceited asses of our men.

By YE OLDE STUDENTE.
